# Dedication to the 1960 District Champs

Team: (Back row, left to right) Glenn Holveck, Gary Sewell, Jimmie Byrd, Aubrey Hinson, Mickey Kuykendall, Larry Goodwin, Kenneth Garvin, Acie Woodard, William Burton.  
(Front row) Clyde Boykin, Norvell Holveck, Ronald Curry, Russell Wyatt, James Barksdale.

Coach: William Borgers

Manager: Michael Tidwell

For the first time in the history of baseball in the Midlothian School, we had the honor of being winners of the district in 1960.

The team had a group of good players, and they had an efficient coach who led them from one victory to another. They swept through our district with a loss of only one game and ended our regular season as District Champions.

In the Bi-District play-off with Paducah, we came out as winners with a score of eight to seven. This sent us to regional where our opponent was Burnet. Although we lost in regional, our boys played a wonderful game, losing by only one run.

The staff of the Panther Scream wishes to congratulate this team and their coach for a fine season, and we proudly dedicate this issue of the yearbook to them.

We, the annual staff, have gathered many of the dates and activities of the school season and placed them together with the desire that they will always bring back cherished memories in the years to come.

We hope that the Panther Scream of 1959-60 will always be remembered.

## FALL

"It is a season teeming  
With charm and festive cheer,  
And life unfolds new treasures  
When Autumn days are here."

...B. L. Bruce

When the 1959-60 school year opens, many things seem to start anew. School soon settles to a busy but normal routine. The air is filled with the enthusiasm of a new football season and plans for another Homecoming.

It's

— and we must get rid of those lazy summer thoughts. First come registration and locker assignments. Then, on the very first day work begins; and before very many days have passed, school, with its class work, sports, and social breaks, is in full swing---as if there had never been a summer vacation.

## WINTER

"I love to see, when leaves depart,  
The clear anatomy arrive,  
Winter, the paragon of art,  
That kills all forms of life and feeling  
Save what is pure and will survive."

As the fall months fade into winter, basketball takes over the spotlight in sports. Those Christmas holidays are soon over-shadowed by the approach of mid-term examinations and the beginning of a new semester.

"Sweet day, so cool, so calm, so bright,  
The bridal of the earth and sky  
Sweet spring, full of sweet days and roses,  
A box where sweets compacted lie."

...George Herbert

Our thoughts now turn to baseball, and track, junior and senior plays, and May Fete. However, at this time our classroom activities are numerous as we swiftly approach the climax of the year—final examinations and commencement.

In October, Maypearl sponsors a festival to which they invite the outlying high schools to send a representative from the senior class. From these senior girls, a queen is crowned. Judy Weaver was the representative from Midlothian High School.

# Bluebonnet Girls State Representatives

MAXINE ENGLISH

ANNA WILLIAMS

The American Legion Auxiliary sponsors the Bluebonnet Girls' State held each year in Austin. This is a mythical 51st state in which girls carry on their government, electing their own officers. The girls selected for membership must have leadership, character, courage, honesty, scholarship, and ability to co-operate. They must be members of the junior class.

Maxine English was financed by the Home Demonstration Club and Anna Williams by the American Legion Auxiliary.

## Major Miller Warren Memorial Award

DELORIES PRYOR

An award of five silver dollars is given annually by Jan and Jon Warren, children of Major Miller Warren, to the outstanding student of American history who has demonstrated the greatest interest in and devotion to the study of our American ideals and traditions.

This award is presented in memory of Major Warren of Midlothian, Texas, who gave his life in World War II to preserve our American heritage.

Delories Pryor, a niece of Major Warren, received the award in 1960.

## Homemaker of Tomorrow

DIANA DOBBS

Each year General Mills sponsors a contest to select the Homemaker of Tomorrow. Only senior girls are eligible to take the test in homemaking, and the one making the highest grade receives the honor of being Homemaker of Tomorrow from her school. From the contest winners of the various schools, a state and an All-American winner are chosen.

Diana Dobbs was Homemaker of Tomorrow from Midlothian High in 1960.
